RoHS Compliance Declaration

Haydon Kerk Motion Solutions, Inc is committed to comply with the European Union's "Reduction of Hazardous Substances" (RoHS) initiative to ensure our customers maintain their global presence and competitiveness with our products.

As of November 1, 2005 Haydon Kerk Motion Solutions, Inc. began providing RoHS compliant product to our customers providing the purchase order or contract to Haydon clearly stated that a RoHS compliant product is required.

Currently all motors, lead screw assembly and linear rail products are RoHS compliant and no special requirement needs to be noted on the purchase order or contract. If required, our packing slips can be stamped to declare that the products shipped are RoHS compliant and may be used as objective evidence of compliance.

Haydon Kerk Motion Solutions, Inc. certifies that our products currently comply with the European Union's "Reduction of Hazardous Substances" (RoHS) initiative and that no exemptions were applied to make the units compliant with EU Directive 2011/65/EU and Directive (EU) 2015/863.

Questions or requests for additional information may be directed to Steve Brady, (603) 213-6290, or by email at steve.brady@ametek.com.

Respectfully,
Steve Brady
