RoHS Compliance Declaration

Haydon Linear Motors (Changzhou) Co., LTD. is committed to comply with the European Union's "Reduction of Hazardous Substances" (RoHS) initiative to ensure our customers maintain their global presence and competitiveness with our products.

As of November 1, 2005 Haydon Kerk Motion Solutions, Inc. began providing RoHS compliant product to our customers providing the purchase order or contract to Haydon clearly stated that a RoHS compliant product is required.

Currently all of Haydon's motor, lead screw assembly and motorized linear rail products are RoHS compliant and no special requirement needs to be noted on the purchase order or contract. If required, our packing slips can be stamped to declare that the products shipped are RoHS compliant and may be used as objective evidence of compliance.

Haydon Linear Motors(Changzhou)Co.,LTD. certifies that all motor, lead screw assembly and motorized linear rail products complies with the European Union's "Reduction of Hazardous Substances" (RoHS) initiative and that no exemptions were applied to make the units compliant with Directive (EU)2015/863.
